### Supplementary Terms

#### Information

The provision of utility record plans is based on information provided by the client and information provided by the utility and service organisations about their plant and network. The pack will be based on desk research only.

#### Existing Plant

The quality and accuracy of information provided by utilities about their existing plant is indicative and no warranty is made as to its accuracy. Therefore, any utility record plan and/or marked up drawings provided by each utility must only be used as a guide and the actual location of plant should be verified by EML/GPR Survey or trial holes before construction works commence.

#### Liability

Premier Energy Services Ltd will take all reasonable steps to obtain the most robust information but shall accept no liability for the accuracy of such information or report and in addition to any limitation of liability under its standard terms and conditions, shall not be liable for any action taken in reliance on the information or any report.

#### Disbursements

Actual disbursements levied by Utility Companies (estimated or optional) will be invoiced by Premier Energy Services Ltd.

**The services are provided subject to these Supplementary Terms and our Standard Terms and Conditions.**
