

# Water Infrastructure & Environmental Charges 2025-26

These are the infrastructure and environmental charges for 2025-2026. These charges apply in addition to any new mains or service connections charges on new developments and are reviewed each year.

Most water companies also offer incentives to promote low water use and limit waste and surface water discharge, these are determined on a project-by-project basis.

Water company	Potable Water				Sewerage			
	Infrastructure Charge 25/26	Infrastructure Charge Change from 24/25	Environmental Component	Total charge per connection 25/26	Infrastructure Charge 25/26	Infrastructure Charge Change from 24/25	Environmental Component	Total charge per connection 25/26
